Patron members are given personal advance notices and first choice of seats for RAA events before tickets are offered to general members or the public, and special highlighted recognition in all RAA publications and programs. Patron donations go a long way to help support our programs and show community support when we apply for grant funds.

Normally, there is no limit on the number of tickets which can be purchased, but for the occasional RAA event that we anticipate will sell out quickly, we may set limits on ticket purchases according to level of membership.
